

Regional Workshop to strengthen Family Planning tools using the World Health Organisations' (WHO) Evidence based guidelines and Training Tools

Professor P. M. Ndavi, an associate Professor in the Department of Obstetrics and Gynaecology, represented the Kenya Obstetricians and Gynaecologists society in this training geared towards strengthening the use of WHO's evidence based reproductive health guidelines and tools. The Ministry of Health was also represented in this training.

Prof Ndavi follows proceedings at the training.
