Breakfasts with the experts

Intimate roundtable discussions are led by a panel of expert speakers to discuss the latest challenges and opportunities in women's health. Please enquire with the registration desk on Pavilion 7.2 about the availability of sessions. Pre-registration will be required at an additional cost of EUR 25.00 per person. Breakfast service is included.

Monday 9 October

07:00–08:00 in room E01

Halving PPH Mortality and Morbidity Nationwide

Health and Development International (HDI)
This session is only available in English

07:00–08:00 in room E02

Early Breast Cancer, Cervical Cancer and HPV

Deutsche Gesellschaft für Gynäkologie und Geburtshilfe (DGGG)
This session is only available in English

07:00–08:00 in room E03

Training Gynaecologic Surgeons with a Focus on Minimal Access Surgery
FIGO Committee on Minimal Access Surgery; The World Association of Trainees in Obstetrics & Gynecology (WATOG); AAGL Essentials in Minimally Invasive Gynecologic Surgery (EMIGS)

This session is only available in English

07:00–08:00 in room E06

Updates in Female Sexual (Dys)function

The International Society for the Study of Women's Sexual Health (ISSWSH); FIGO Committee on Obstetric Fistula

This session is only available in English.

07:00–08:00 in room E07

Future Directions: Addressing the Needs of Environmental Health

FIGO Committee on Climate Change and Toxic Environmental Exposures
This session is only available in English

07:00–08:00 in room E08

Is it Possible to Reduce Caesarean Sections by Increasing Analgesia during Childbirth?

French Ministry of Foreign Affairs
This session is only available in French

Tuesday 10 October

07:00–08:00 in room E01

Preparation (Prep)-for-Labour: Best Practice Guidelines for Triaging Patients

FIGO Committee on Childbirth and Postpartum Haemorrhage
This session is only available in English

07:00–08:00 in room E02

Advances in Second Trimester Abortion Care

Stanford University, United States
This session is only available in English

07:00–08:00 in room E03

Ergonomics in Surgery

University of North Carolina; Oregon Health & Science University
This session is only available in English

Educational activities are subject to change.

For the most up-to-date programme, please download the Congress mobile app.

07:00–08:00 in room E06

Breast Health

FIGO Committee on Well Woman Health Care

This session is only available in English

07:00–08:00 in room E07

How Telehealth and Artificial Intelligence are Transforming Global Maternity Care

John Hopkins Medicine, United States
This session is only available in English

07:00–08:00 in room E08

Caesarean Delivery Audits and Robson Classification as Essential Quality Improvement Tools in LMICs: Moving Beyond Mortality

EngenderHealth
This session is only available in English

Wednesday 11 October

07:00–08:00 in room E01

Improving Informed Consent Procedures for Caesarean-Section in LMICs

London School of Hygiene and Tropical Medicine (LSHTM)
This session is only available in English

07:00–08:00 in room E02

Midwives' Approaches to Management of Expulsion

Collège National des Sages-Femmes de France (CNSF)
This session is only available in English

07:00–08:00 in room E03

Evaluation and Treatment of Pelvic Pain

FIGO Committee on Minimal Access Surgery
This session is only available in English

07:00–08:00 in room E06

Academic Exchanges and OBGYN Volunteers around the World

American College of Obstetricians and Gynecologists (ACOG); Safe Motherhood Committee FOGSI; Health Volunteers Overseas

This session is only available in English

07:00–08:00 in room E07

Trans Health

University of California, San Francisco
This session is only available in English

07:00–08:00 in room E08

German Maternity Guidelines and Medical Advice for Pregnant Women

Deutsche Gesellschaft für Gynäkologie und Geburtshilfe (DGGG)
This session is only available in English

Thursday 12 October

07:00–08:00 in room E01

Operationalisation of Urine Congo Red Test to Identify Preeclampsia in Low-Resourced Settings: Opportunities and Challenges

University of Illinois at Chicago
This session is only available in English

07:00–08:00 in room E02

Human Trafficking in Latin America

FIGO Committee on Women Facing Crisis
This session is only available in Spanish

07:00–08:00 in room E03

Management of Fibroids Based on FIGO Classification

FIGO Committee on Minimal Access Surgery
This session is only available in English

07:00–08:00 in room E06

Obstetric Simulation, the Traditional Birth Attendant Training Program and Proximie Technology

Saving Mothers

This session is only available in English

07:00–8:00 in room E07

A Community of Practice for Safe and Appropriate Caesarean Delivery in Low and Middle Income Countries: Priorities and Solutions

MOMENTUM Safe Surgery in Family Planning and Obstetrics

This session is only available in English

07:00–08:00 in room E08

Developing a FIGO-Led Core Curriculum in Obstetrics and Gynaecology for Medical Students Globally during Peacetime or a Crisis

Mohamed Bin Rashid University of Medicine and Health Sciences; FIGO Education, Communication and Advocacy Consortium (ECAC); Yale School of Medicine; Shupyk National Healthcare University of Ukraine

This session is only available in English

Hands-on simulation labs

Immersive learning experiences offer the opportunity to practice gynaecologic surgical procedures and react and respond to obstetric scenarios in a life-like simulated environment. Please enquire with the registration desk on Pavilion 7.2 about the availability of sessions. Pre-registration will be required at an additional cost of EUR 50.00 per person.

Monday 9 October

10:40–13:00 in room E05

Physical Exam in the Patient with Pelvic Pain
FIGO Committee on Minimal Access Surgery
This session is only available in English

15:40–18:00 in room E05

External Cephalic Version: Practical Training and Counselling
University of Lisbon, Portugal
This session is only available in English

Tuesday 10 October

08:00–10:20 in room E05

Advances in Maternal Mortality and Maternal Near Miss Program (AMAN) in Low-Economic Settings
Women's Health Promotion Society
This session is only available in English

10:40–13:00 in room E05

Essential Skills in Hysteroscopy
FIGO Committee on Minimal Access Surgery;
The World Association of Trainees in Obstetrics & Gynecology (WATOG)
This session is only available in English

15:40–18:00 in room E05

Assisted Vaginal Birth in the 21st Century
Odon ASSIST Group
This session is only available in English

Wednesday 11 October

08:00–10:20 in room E05

Use Low-Tech, High-Fidelity Simulation to Practice Essential Interprofessional Teamwork and Communication Skills Needed to Manage Obstetric Emergencies
PRONTO International
This session is only available in English

10:40–13:00 in room E05

Laparoscopic Suturing
FIGO Committee on Minimal Access Surgery
This session is only available in English

15:40–18:00 in room E05

Emerging Tools for PPH Management
University of California, San Francisco
This session is only available in English

Thursday 12 October

10:40–13:00 in room E05

Simulation-Based Training, Teamwork and Decision-Making for Improving the Quality of Labour Care Management across the Continuum of Care
Jhpiego; Assist International; Vanderbilt Institute for Global Health; Haydom Lutheran Hospital; Stavanger University Hospital
This session is only available in English

15:40–18:00 in room E05

New Approaches to Vaginal Surgery
European Board & College of Obstetrics and Gynaecology (EBCOG)
This session is only available in English

Post-Congress workshops

Focused and interactive seminars that offer attendees a deep-dive into a specific area of interest. Please enquire with the registration desk on Pavilion 7.2 about the availability of sessions. Pre-registration will be required at an additional cost of EUR 75.00 per person for a half day workshop and EUR 130.00 per person for a full day workshop. Please proceed directly to Pavilion 7.3 on Friday 13 October to participate in these sessions.

Friday 13 October

08:00–18:00 in room S01

Training on Safe Abortion, Late Abortion and Quality Abortion Care

FIGO Committee on Safe Abortion; FIGO Access to Safe Abortion Project (ASAP); World Health Organization (WHO); Ipas
This session is available in English, French and Spanish

08:00–18:00 in room W04

Teach the Breech

The World Association of Trainees in Obstetrics & Gynecology (WATOG)
This session is only available in English

08:00–18:00 in room W03

Masterclass in Second Stage Skills

FIGO Committee on Childbirth and Postpartum Haemorrhage; Royal College of Obstetricians and Gynaecologists (RCOG); London School of Hygiene and Tropical Medicine (LSHTM); World Association of Trainees in Obstetrics and Gynecology (WATOG)
This session is only available in English

08:00–12:30 in room S03

Infectious Diseases and Serologies during Pregnancy

Groupe de Recherche sur les Infections pendant la Grossesse (GRIG)
This session is only available in French

08:00–12:30 in room S02

Sexual Violence must NEVER be Used as a Weapon of War: How OBGYNs Can Help to End Wartime Sexual Violence and Support Survivors

The Dr. Denis Mukwege Foundation; The International Federation of Gynecology and Obstetrics (FIGO)
This session is available in English, French and Spanish

08:00–12:30 in room S05

Fibroids and Morcellation-Evidence, Surgical Principles, and Hands-On Simulation

FIGO Committee on Minimal Access Surgery
This session is only available in English

08:00–12:30 in room W06

The Role of Human Factors in Reducing Unintentional Medical Errors

Haemorrhage after Childbirth Foundation
This session is only available in English

08:00–12:30 in room E03

Solving Abnormal Uterine Bleeding and Iron Deficiency

FIGO Committee on Menstrual Disorders and Related Health Impacts
This session is only available in English

08:00–12:30 in room E01

MPDSR or/and Maternal Near Miss Case Audits and how to Establish a MNM Surveillance System

The Latin American Center for Perinatology (CLAP); Pan American Health Organization (PAHO)

This session is only available in Spanish

08:00–12:30 in room S06

Perineal Repair Workshop

Association des Gynécologues Obstétriciens en Formation (AGOF)

This session is only available in French

08:00–12:30 in room S04

Women's Health in Quebec

The Association of Obstetricians and Gynecologists of Quebec (AOGQ)

This session is only available in French

08:00–12:30 in room E02

Reducing Maternal Mortality in South Asia and the Burden of Rhesus Disease in African Countries

South Asian Federation of Obstetrics & Gynaecology (SAFOG); Worldwide Initiative for Rh Disease Eradication (WIRhE); African Federation of Obstetrics and Gynaecology (AFOG)

This session is only available in English

13:30–18:00 in room E01

PPIUD Workshop FIGO 2023 and Therapeutics Derived from Pregnancy

FIGO Committee on Contraception; University Hospital Bern, Switzerland

This session is only available in English

13:30–18:00 in room E02

A Multidisciplinary Approach to the Management of Pelvic Organ Prolapse

FIGO Committee on Urogynaecology and Pelvic Floor Disorders

This session is only available in English

13:30–18:00 in room S05

Capacity Building to Reduce PPH-Related Maternal Mortality in Resource-Limited Countries: A Masterclass in Managing PPH

FIGO Committee on Childbirth and Postpartum Haemorrhage

This session is only available in English

13:30–18:00 in room S04

Fertility Enhancing Endoscopic Surgeries

FIGO Committee on Reproductive Medicine, Endocrinology and Infertility

This session is only available in English

13:30–18:00 in room W06

Technique of Leforte Partial Colpocleisis for Uterovaginal Prolapse and Total Colpocleisis for Post Hysterectomy Vault Prolapse

Pakistan Urogynaecologists Association

This session is only available in English

13:30–18:00 in room E03

Chronic Pelvic Pain

International Pelvic Pain Society (IPPS)

This session is only available in English

13:30–18:00 in room S06

Obstetrics and Gynaecology Ultrasound Masterclass

Association des Gynécologues Obstétriciens en Formation (AGOF)

This session is only available in French

13:30–18:00 in room S03

Women's Cancer Workshop

The International Federation of Gynecology and Obstetrics (FIGO); Federación Mexicana de Colegios de Obstetricia y Ginecología (FEMECOG); Asia & Oceania Federation of Obstetrics & Gynaecology (AOFOG)

This session is available in English, French and Spanish

13:30–18:00 in room S02

Women in Medicine

Royal College of Obstetricians and Gynaecologists (RCOG); Fédération Francophone d'Obstétrique et de Gynécologie (FéFOG); Association Gynespri; Société de Chirurgie Gynécologique et Pelvienne (SCGP)

This session is available in English and French

A Pfizer-sponsored educational symposium at the XXIV FIGO World Congress of Gynecology and Obstetrics

Protecting infants against respiratory syncytial virus through maternal immunization

13:15–14:15 CEST, Monday, October 9, 2023
Paris Convention Center, Paris, France

Please join us for this timely and engaging symposium, where the esteemed faculty will discuss the mechanism of maternal immunization and review the existing evidence on prevention of RSV disease in infants, which can have potentially serious consequences in this population.

We welcome your participation in this important discussion.
